

# Hire, manage, and pay globally with ease

## You find the best hires – we handle the employment and compliance requirements in every country.

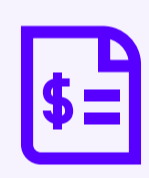

Tap into Remote's global network of legal, finance, and HR experts who become an extension of your team.

**Hire and pay with confidence around the world**

**Onboard employees or contractors in minutes**

**Fair Price Guarantee – no gotchas or hidden fees**

EVERYTHING YOU NEED

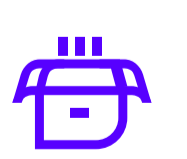

## Get growing with Remote

HIRING

### Easily hire employees or contractors from anywhere in the world

Leverage our local entities and expertise to avoid the usual time, cost, and risk of going it alone.

BENEFITS

### Access country-specific benefits packages at highly negotiated rates

Offer equitable, best-in-class benefits to your employees for a fraction of the cost.

PAYROLL

### Pay your global workforce on time in their preferred currency

We'll keep you and your hires compliant with ever-changing taxes and regulations.

COMPLIANCE

### Avoid risk during every step of the hiring and employment process

Remote's built-in security and compliance and proactive monitoring has you covered.

WHY REMOTE?

# The leader in global HR

## Power in the platform

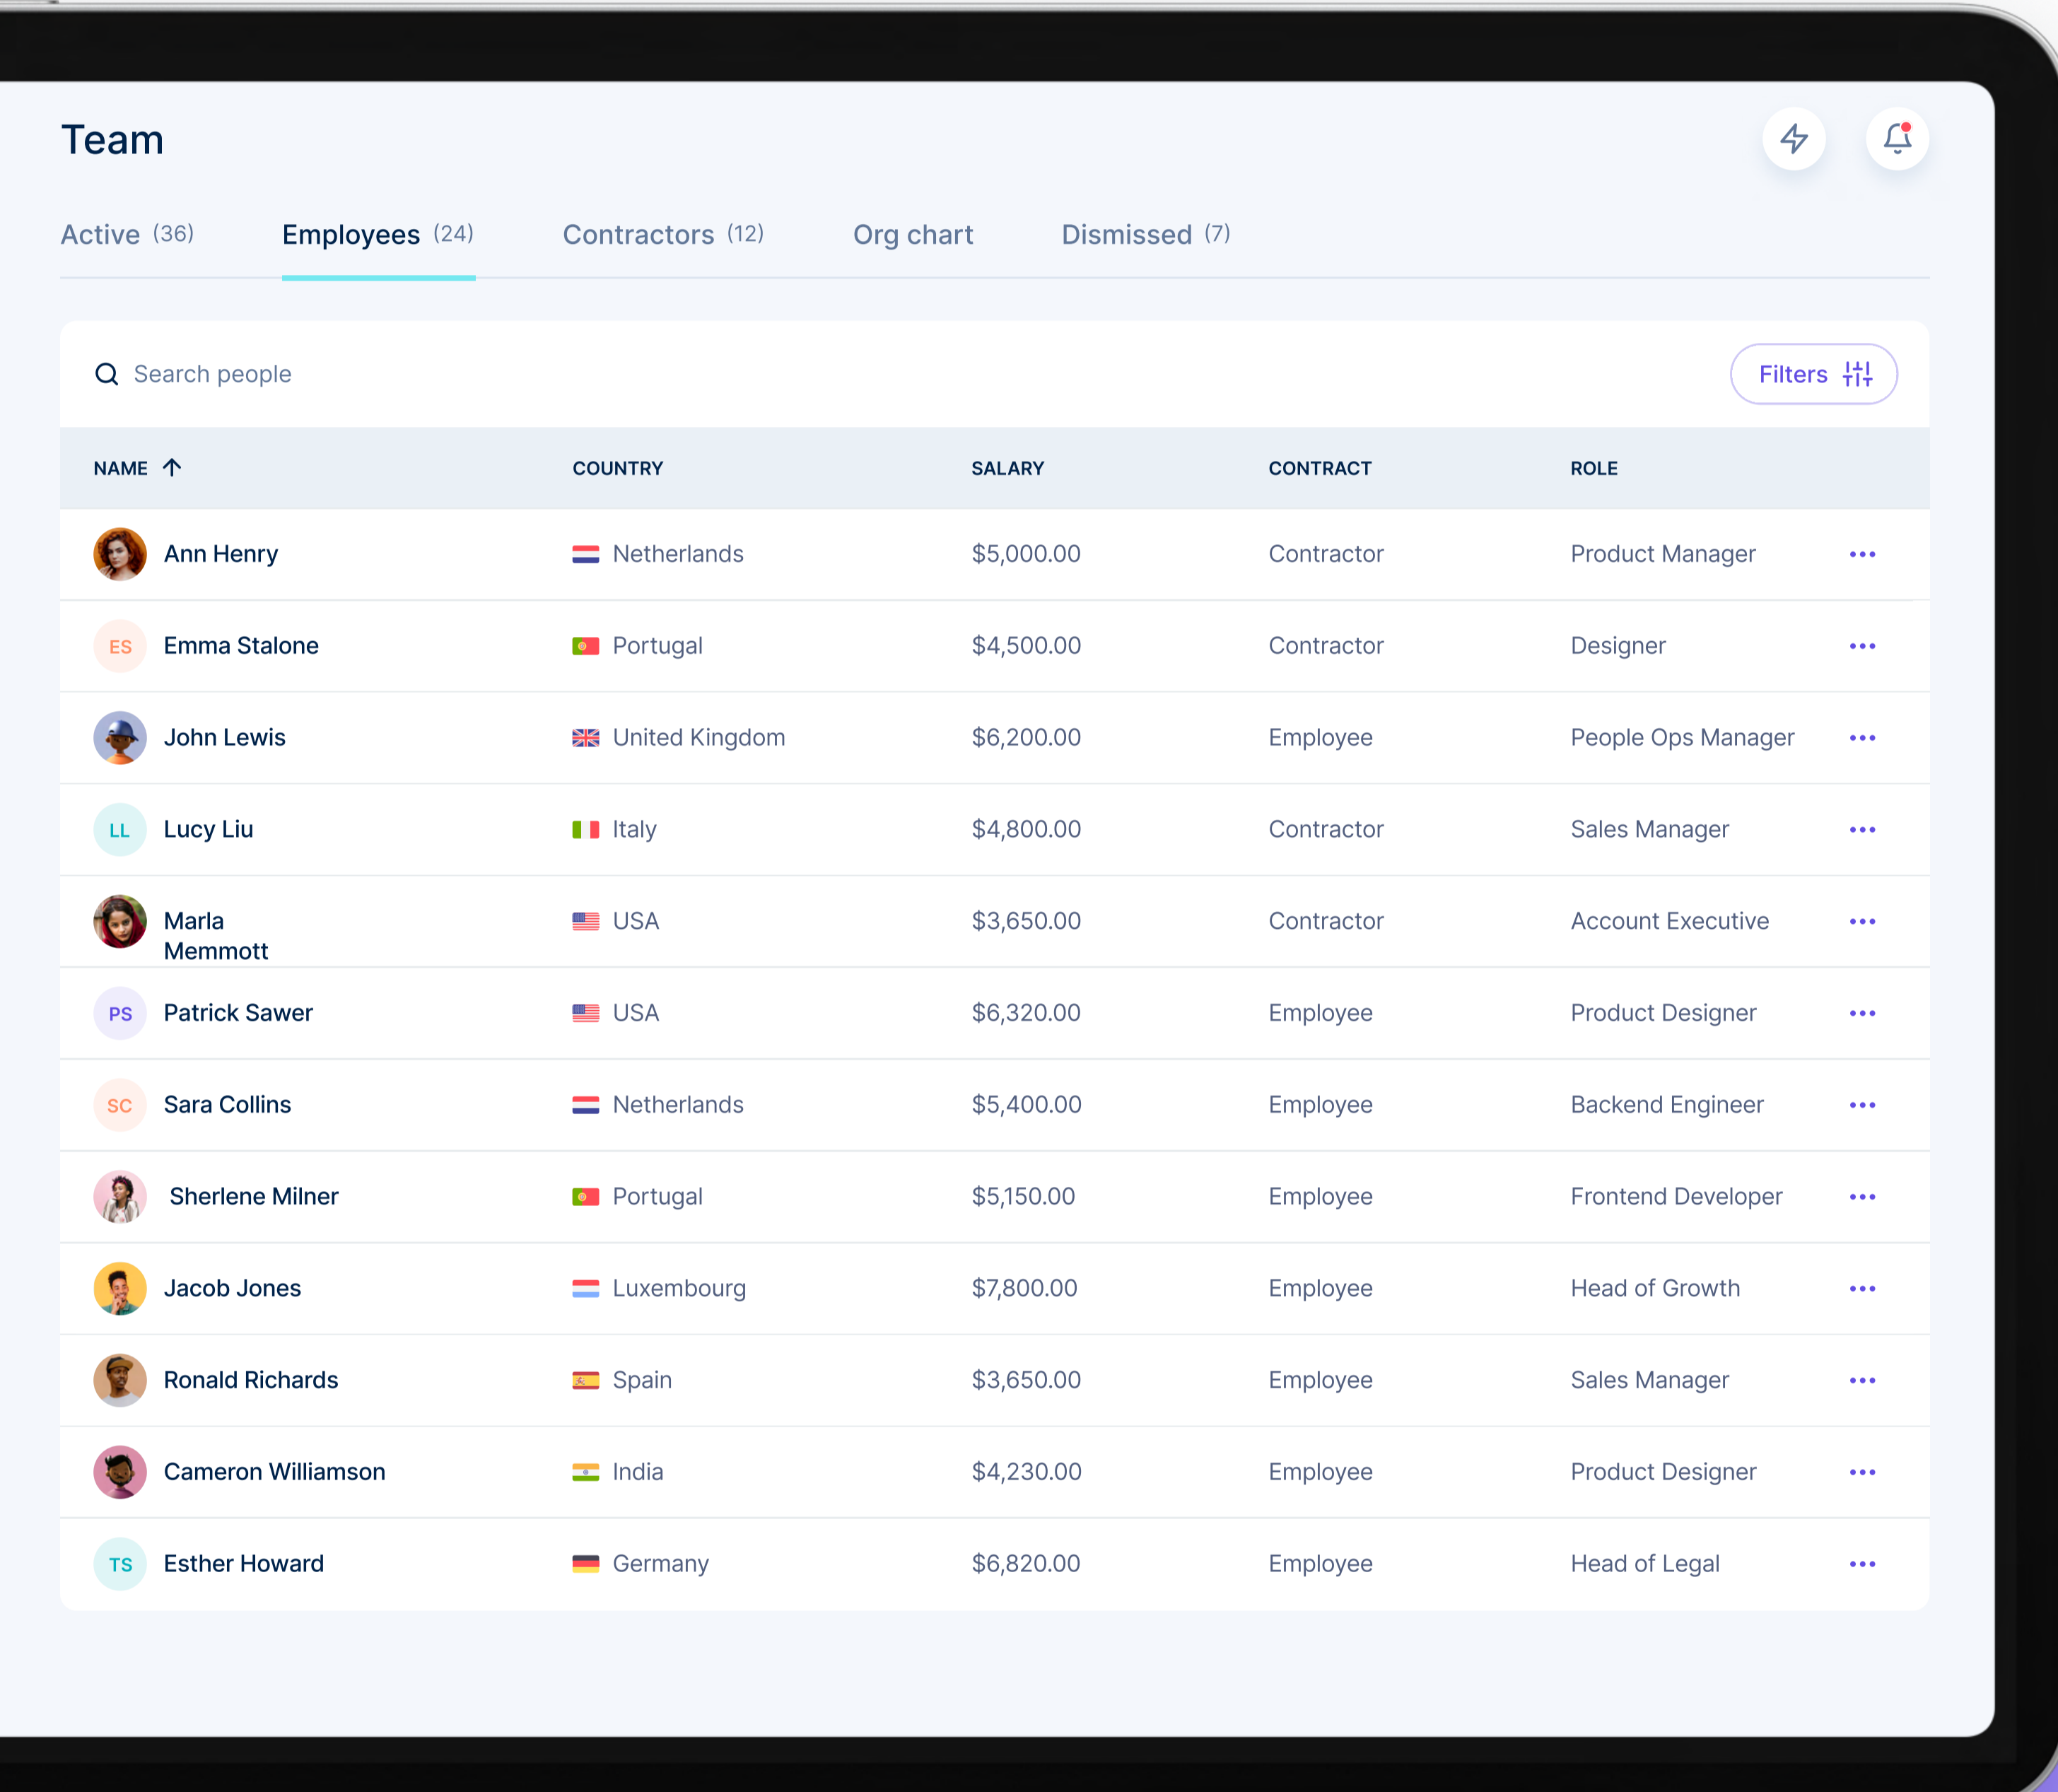

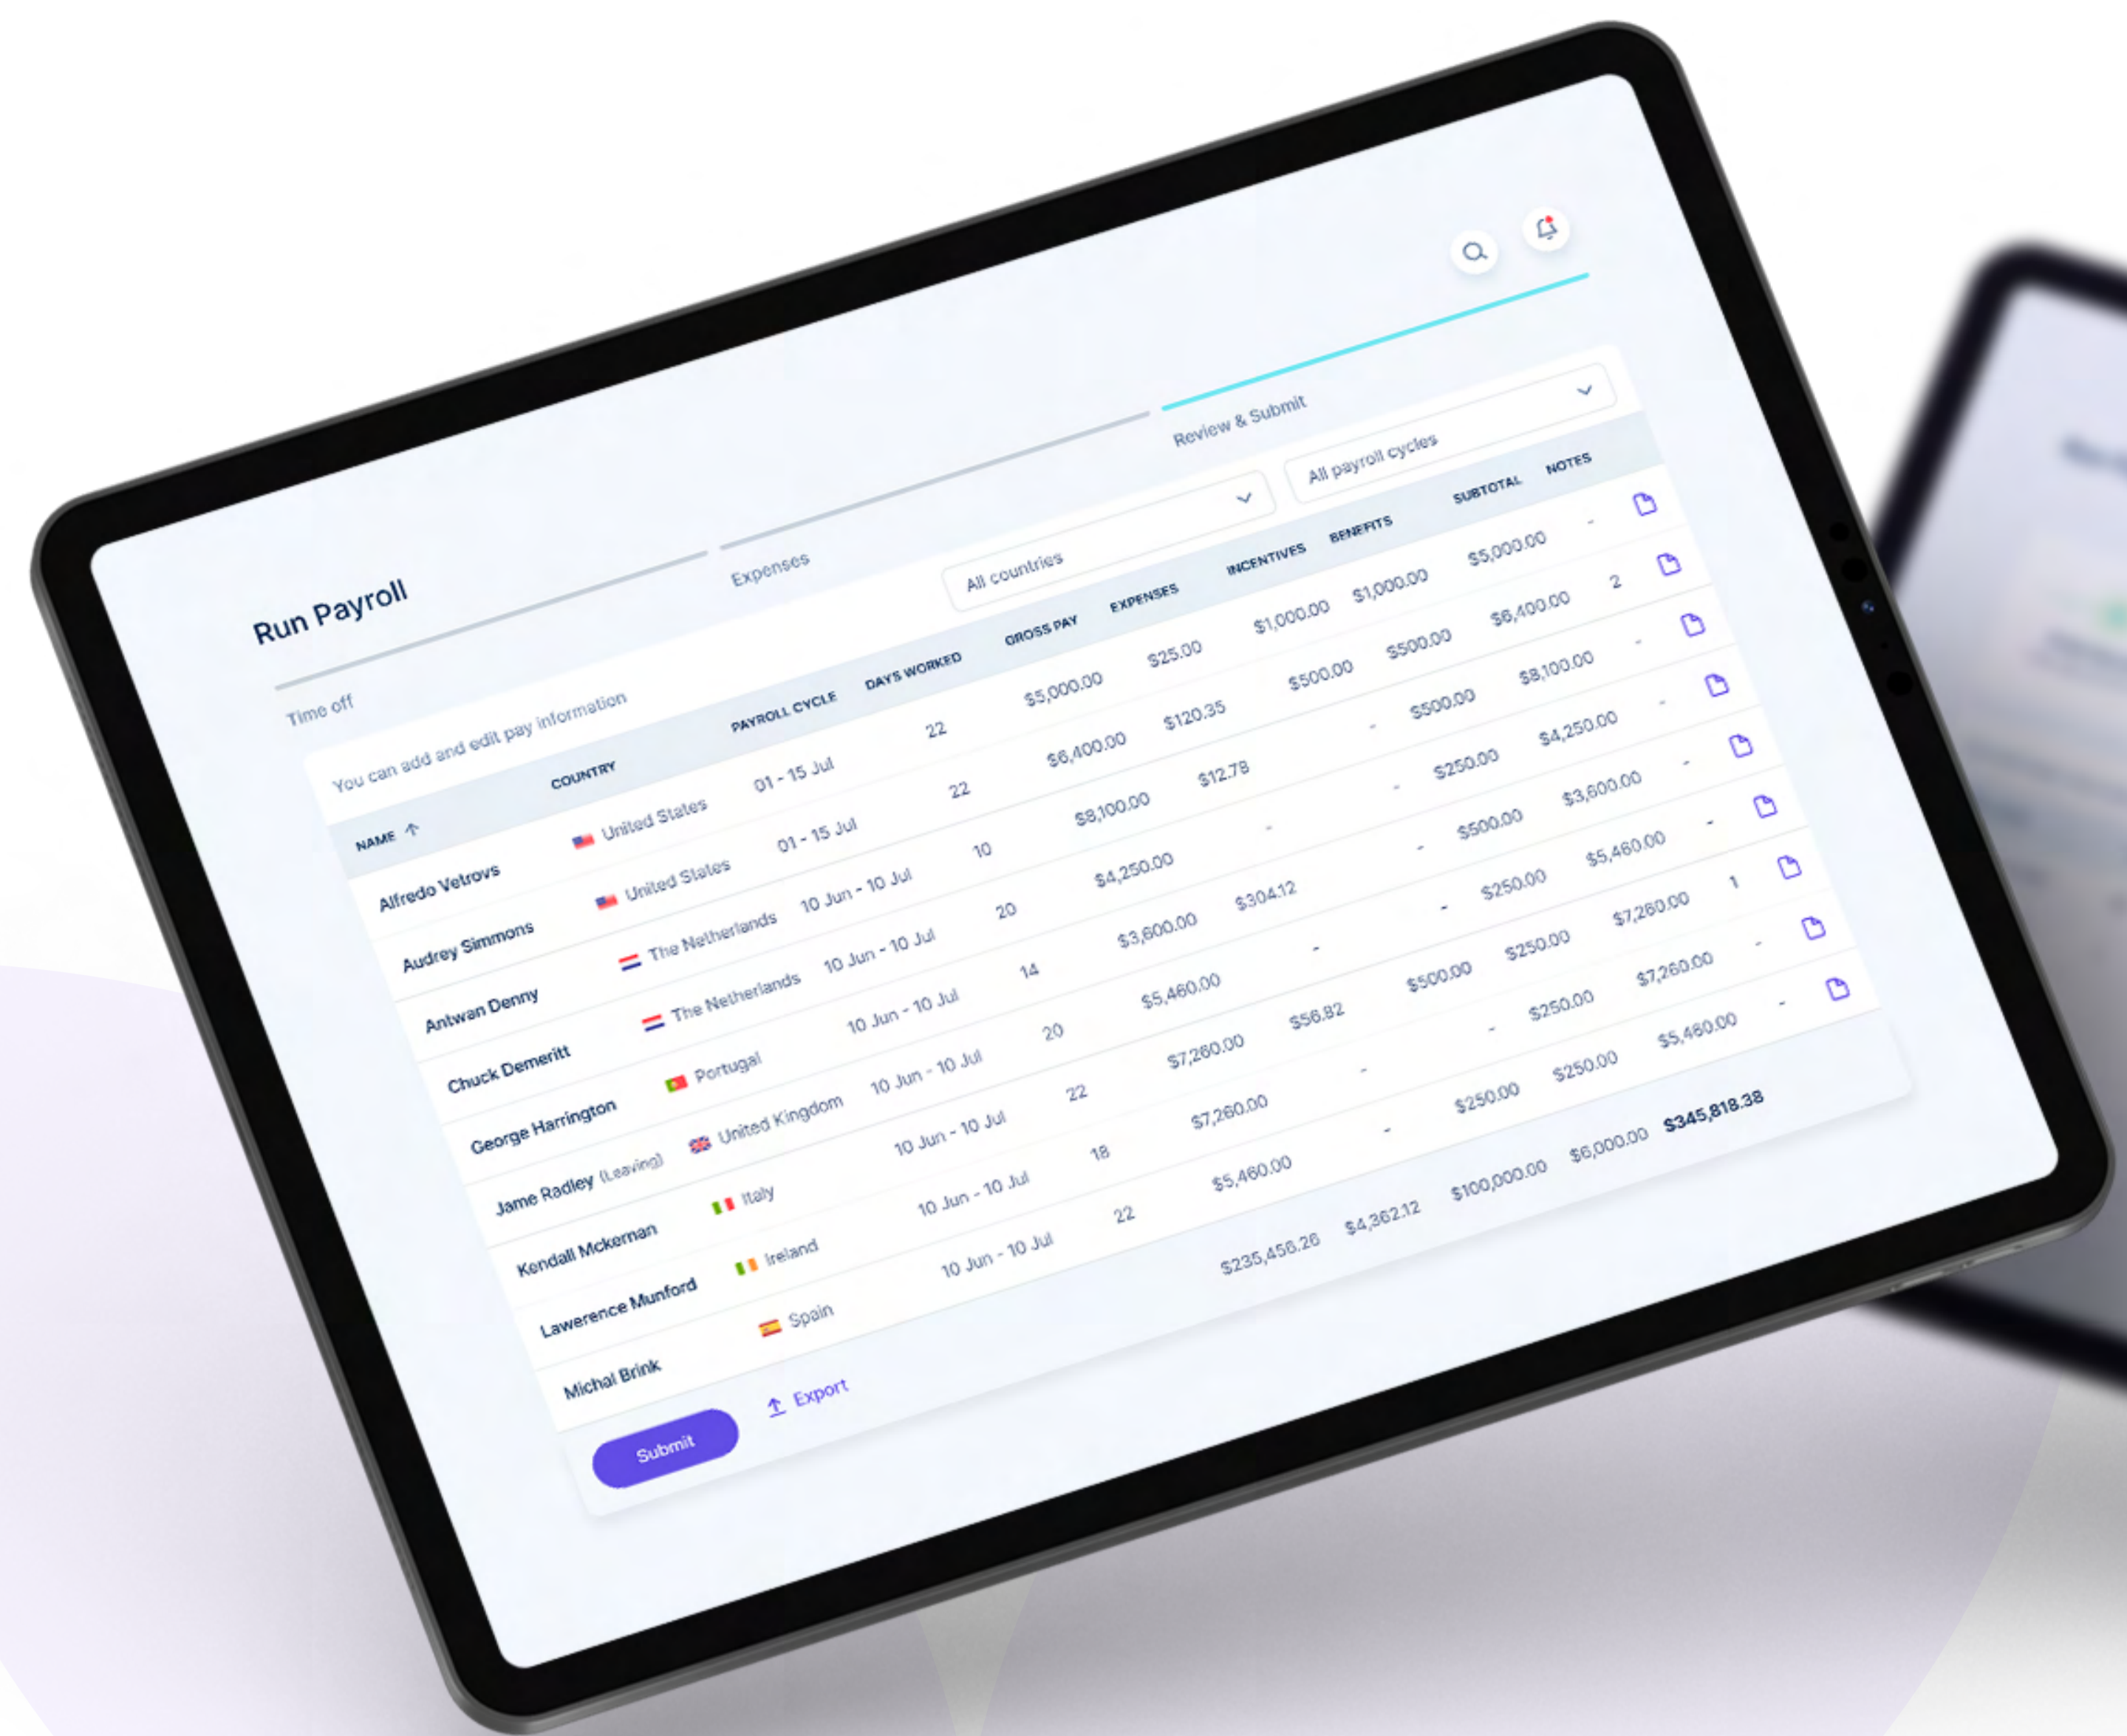

Secure tech meets Remote automation. Everything you and your hires need in a beautiful SaaS interface.

## A world-class experience

We're obsessed with creating a delightful user experience for you and your team every step of the way— and it shows.

## Fair Price Guarantee

No hidden fees, surprise costs, minimums, contract lengths, or exclusivity agreements. Ever.

## People with a passion

Remoters are on the ground in every continent, proactively monitoring and improving processes for you.

## Rock-solid infrastructure

We never outsource in-country entities to third parties, which keeps quality high and risk low.

## Protecting IP at all costs

Trust our stronger-than-they-need-to-be intellectual property and invention rights protections.

## Trusted by leaders in remote work

# Grow your global team with Remote
