LOCALS

On our immersive tours, our guests try their hand at basket weaving, pottery, and mosaic art. During culinary masterclasses, every tourist has a chance to be both a chef, preparing traditional Cypriot dishes, and a sommelier, tasting the best wines produced in family wineries on the slopes of Troodos. All these workshops are run by local people.

CULTURE

Embark on a journey through time as you explore the historical wonders of Cyprus. The island boasts 12 UNESCO World Heritage Sites, including the ancient city of Paphos with its remarkable archaeological treasures, the painted churches of the Troodos region showcasing Byzantine art, and the enchanting Neolithic settlement of Choirokoitia.

NATURE

Cyprus is a unique place where rich culture perfectly blends with adorable nature. The mesmerizing capes, mysterious sea caves, natural parks and the slopes of the Troodos mountains are all natural gems of the island.
