ANNUAL CONFERENCE

ACCOMPANYING PERSONS

In 2025, the Annual Conference of the Great Wine Capitals returns to its birthplace: Bordeaux, where the Network was founded more than two and a half decades ago.

To mark this symbolic return, the theme of this year's edition is GENESIS - a return to our origins, to what grounds us, inspires us, and guides our future.

At a time of profound transformation for the wine and tourism industries, GENESIS invites delegates to engage on an introspective journey: to reconnect with core values, rediscover foundational practices, and reimagine the road ahead.
