

WEDNESDAY, OCTOBER 14TH

INTRODUCTION SESSION

11:45 am

 x 

**INNOVATIVE
BEAUTY GROUP**

Come to the Table to Innovate –
Collective innovation, a productive model

12:30 pm

Cofinancé par
l'Union européenne

Cosmetic Innovation in the Loire
Valley : When regeneration becomes
a growth accelerator

Région Centre-Val de Loire x Dev’up

SESSION 1: Trends – reimagining beauty through regenerations

01:50 pm

VELA & Greentech – Powered by nature: from marine biotech to wind-powered logistic

02:10 pm

Proya Cosmetics – From efficiency to regeneration: an integrated model for low-carbon and resource-positive cosmetic manufacturing

SESSION 2: Raw materials – the living power of regenerative ingredients

02:35 pm

GREENCELL – Regenerative soil health as a catalyst for high-density botanical actives in cosmetics

02:55 pm

VYTRUS BIOTECH – Re-educating urban Skin: a plant-based tolerogen to (re)generate skin tolerance.

03:15 pm

LABORATOIRES EXPANSCIENCE – Can agriculture inspire the next generation of active ingredients?

03:35 pm

SILAB – Skin regeneration: a journey from aged to damaged skin

WEDNESDAY, OCTOBER 14TH

SPECIAL SESSION

04:00 pm

NUTRIKÉO

Regenerating the beauty business – when nutrition and cosmetics converge to create new frontiers of innovation

04:35 pm

The BIOTECHS 2045 immersive capsule by GREENTECH – When visionary biotech experts reveal the promises of the future

05:15 pm

COSMETIC 360 AWARDS CEREMONY

Best innovations of this 12th edition, judge by an international press jury

THURSDAY, OCTOBER 15TH

SESSION 3: Formulation – Designing formulas that restore and renew

10:05 am

DASSAULT SYSTEMES x GROUPE ROCHER – How to transform natural cosmetics formulation through virtual twin technology

10:25 am

LB Cosmeceutical Technology Co – Biomimetic liquid crystal emulsification technology for skin barrier regeneration in mild atopic dermatitis

10:45 am

NOVEM LAB – Building a regenerative cosmetic value chain around a protected terroir

11:00 am

ROUND TABLE: WHEN OPEN INNOVATION REGENERATES INNOVATIONS

**ESTÉE
LAUDER**
