

OLI & CAROL

MORE THAN TOYS

HOLA! HELLO!

We are Olympia & Carolina two sisters entrepreneurs from Barcelona designing cool toys for kids & modern families. Started the brand in school, with only 16 & 21 years old, today we are present worldwide in 80 countries around the world and present in 3000 points of sale worldwide. Shaping the kids toy industry offering sustainable toys for cool kids.

MORE THAN TOYS

We believe in growing with little ones and introducing them to important messages such as respecting our environment & following a healthy lifestyle.

We introduce kids & families into consuming green, low carbon footprint products, by offering biodegradable designs, moving towards zero waste.

100% of our toys are the greenest possible. Made with earth-friendly materials through an artisanal process. We support solidarity causes to make this world a little better.

01 WE ARE GREEN

100% sustainable, plastic-free & handmade with natural materials — always respecting the planet.

02 WE CARE

Beyond toys, we support social causes & work for a better world.

03 WE ARE MOVERS

Innovative, functional & beautiful toys — where creativity meets sustainability.

04 WE EDUCATE

Inspiring families to live consciously, care for the planet & have fun learning.

05 WE ARE COOL

Learning is fun — and so are we!

06 WE ARE HEALTHY

Encouraging kids & families to live healthy, active & mindful lives.

WASHING & CARE INSTRUCTIONS

Wipe your toy with soapy water and a damp cloth. Do not sterilize or store in the fridge.

Do not store it in humid places. Air drying between use is recommended.

Do not leave it in direct contact with light for long periods of time.

Our products are handmade, so small imperfections are what makes each product unique.

Variations in temperature may affect the product's shape and volume.

Remove packaging and all tags before giving the toy to your child.
