

Packaging Accessories

*Details that elevate presentation,
identity and perceived value.*

A curated range of real ribbons, bows, pouches, tassels, cords and zamak accents developed for premium packaging brands and designers.

Tailored details. Tangible distinction.

Packaging Accessories Overview

— *A curated range of real solutions for branding, gifting and presentation.*

Elevate every detail with our premium packaging accessories. From signature ribbons and artisanal bows to pouches, cords, tassels and metal accents — each element is selected to enhance your brand's identity and create memorable unboxing experiences.

Ribbons & Printed Ribbons

Premium satin, grosgrain and printed options for a refined finish.

Bow Solutions

Pre-tied and hand-tied bows in multiple styles and materials.

Pouches, Tassels & Cords

Soft pouches, decorative tassels and quality cords to complete the look.

Zamak Accents

Durable metal tags and accents for a distinctive branded touch.

Since 1987

*A handcrafted approach
to packaging details.*

Rooted in a family tradition, our expertise in packaging details began in 1987 and has grown into a trusted partnership with brands and designers worldwide.

We craft premium ribbons, cords, pouches, tassels and zamak accessories that bring identity and distinction to every creation.

With a deep sensitivity to materials, reliable production and a collaborative spirit, we help elevate packaging into a lasting expression of your brand.

Crafted details. Enduring quality.

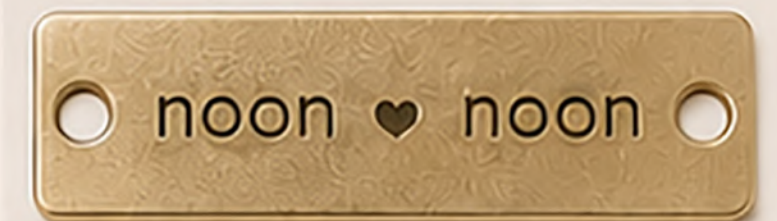

Custom Developments & Zamak Accents

*Components shaped
around each brand.*

We adapt materials, textures, widths, bows, pouches, cords and zamak details to reflect each brand's identity and project needs.

🌿 Eco-conscious options when possible.

Pouches, Tassels & Cords

*Texture, movement and
finishing presence.*

Carefully selected materials and thoughtful details turn functional elements into distinctive features. From soft pouches to statement tassels and refined cords, every component is chosen for its quality, durability and visual impact.

Materials with purpose. Details that complete.

Global Reach, Personal Attention

*We partner with clients
across Europe and around
the world, bringing ideas
to life through project-based
collaboration and tailored
developments.*

Tailored Development

Solutions designed around your brand.

Close Collaboration

We work alongside you, every step.

Reliable Production

Quality you can count on, every time.

International Vision

Local care with a global perspective.

Bow Solutions

Pre-made bows and applied bow details.

From timeless classics to modern accents, our bow solutions are designed to complement your packaging and elevate the unboxing experience.

Choose from a curated range of materials, colors and finishes to perfectly match your brand identity.

Tailored details. Tangible distinction.

Printed & Custom Ribbons

Color, texture and print in one detail.

Screen print, metallic effects or tone-on-tone: every ribbon can be personalized to reflect your brand. A refined way to enhance your packaging with consistency and character.

Tailored details. Tangible distinction.

From Standard to Premium Ribbons

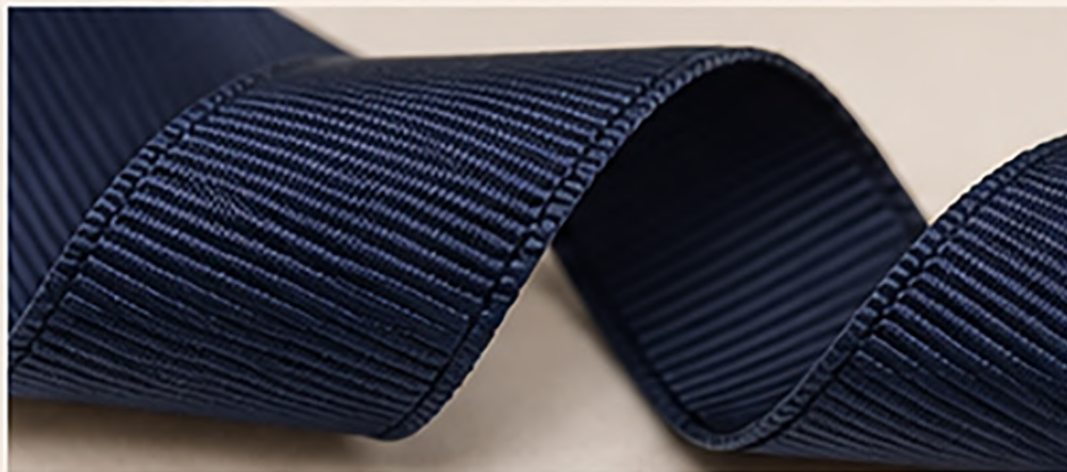

Same function. Completely different perception.

Material, weave, finish and print influence how a ribbon looks, feels and communicates your brand's level of care and quality.

Satin Ribbon

Smooth surface with a soft, refined sheen.

Grosgrain Ribbon

Structured rib weave for durability and a classic look.

Velvet Ribbon

Plush texture for a rich, luxurious impression.

Printed Organza Ribbon

Sheer and delicate with space for creative expression.

Stitched Ribbon

Tailored detailing that adds craft and strength.

Satin Ribbon with Gold Purl Edge

Subtle metallic edge for an elevated, premium finish.

Let's Develop Your Next Packaging Detail

*A B2B partner for
premium brands and designers.*

From concept to finish, we help translate
your brand identity into tangible details
that elevate every unboxing and leave
a lasting impression.
