

METAPACK

LUXURY **PACKAGING** DEVELOPERS SINCE 1998

*Provider of high-end solutions
for cosmetics packaging
and skincare tools*

Master of innovation in luxury perfumes and premium spirits

Prestigious brands

Like the most prestigious perfume, cosmetics and spirits brands that have trusted us for 28 years, our reputation as an industrial craftsman, our specific know-how and our technical expertise are at the service of your imagination.

Creative development

As project managers, we master a wide range of techniques that open up endless possibilities in luxury packaging, from pure creation to the strategic transformation of your ideas.

Thanks to our design offices and our network of partners in Europe and Asia, we are able to manage complex international projects from conception to production.

*Designer of a range of
responsible standards
«Made By Metapack»*
