

Who we are

- Luxury packaging manufacturers since 1955
- Production hub in Marche, central Italy
- Turnover 2024 €10 M
- Direct employees 47
- Three factories for a total of 10,000 square meters.

Made in Italy

- In Le Marche, in the heart of the fashion district
- We produce 4,000,000 boxes per year
- 30,000 boxes per day automatically
- 1,000 boxes per day in the manual workshop
- internal sample development office

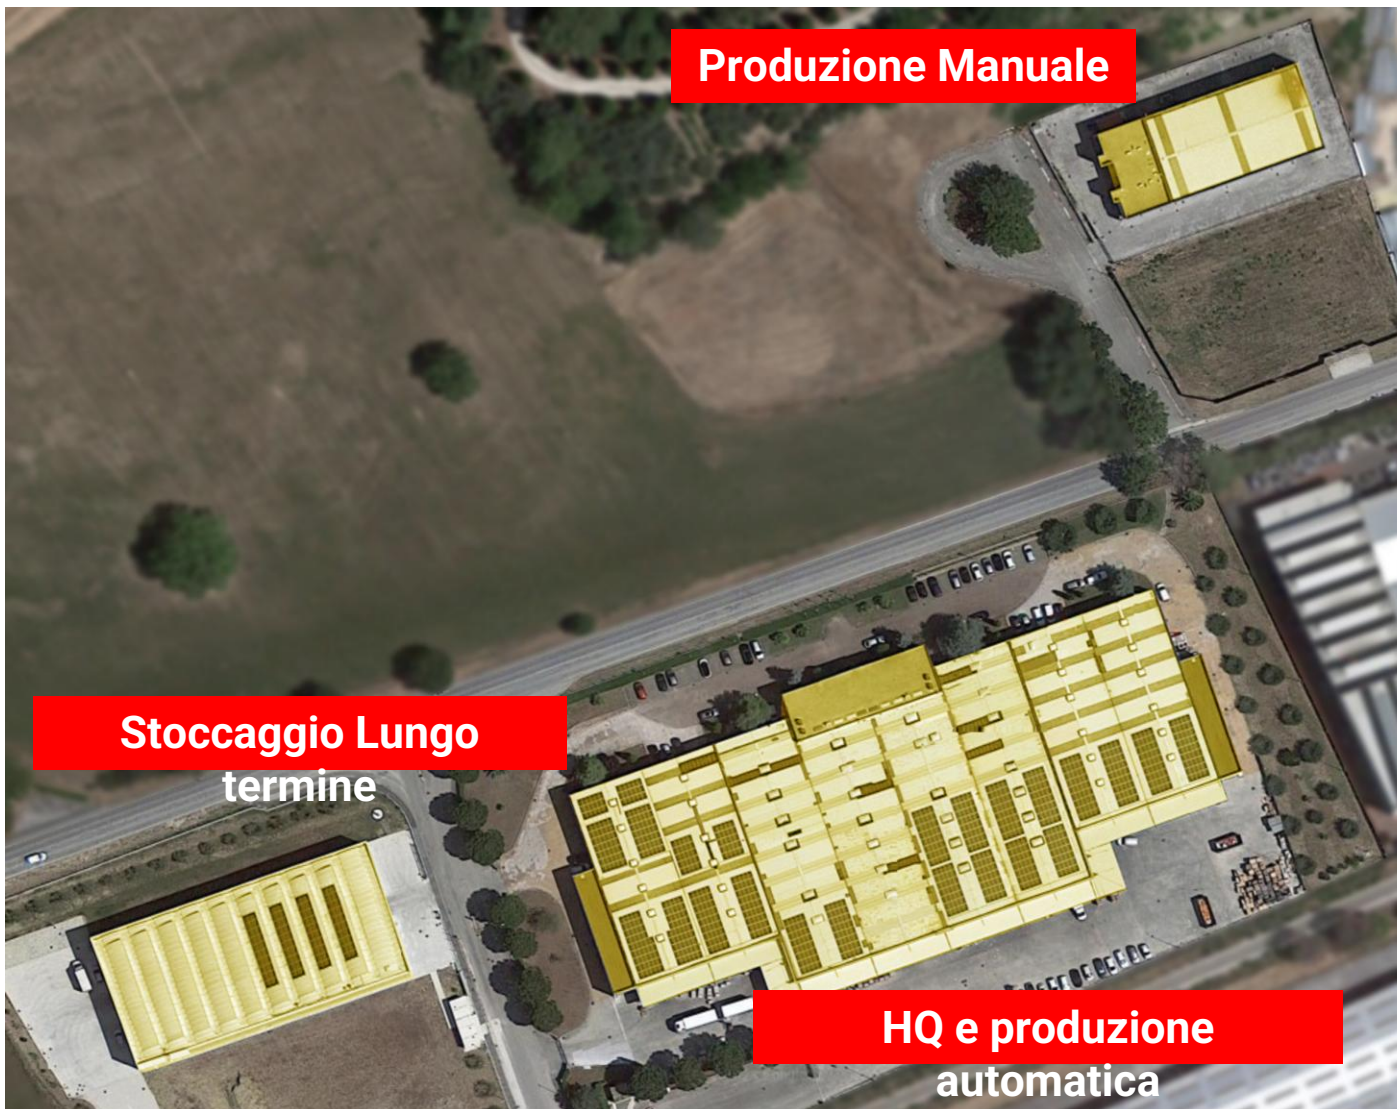

PISACANE

in **boxes** we trust

- In the main structure three complete lines for automatic production, hot stamping department, die-cutting, laminating and furrowing machine for sharp corner
- Development department with 3 cutting plotters for prototypes, samples and small batches
- A second structure, opposite the main one, is dedicated to manual production. Limited editions, applications of accessories, finishes and special boxes, hat boxes, boxes and composite structures
- The new plant adjacent to the main one is dedicated to storage and logistics, for a 360° integrated service
