4. On July 13, CAFFCI completed its annual regular exchange with IOFI, engaging in in-depth discussions on industry-related laws and regulations, as well as the latest developments in international carbon footprint accounting. CAFFCI has officially notified all its members to fully cooperate and support IOFI's 2025 global survey on food flavoring usage.

5. On July 17, 2026, CAFFCI partnered with ISIPCA (France) to launch advanced online perfumery training open to industry practitioners.

6. On the morning of July 23, 2026, L'Oréal Global Senior Vice President Marc Princiville and Asia-Pacific regulatory & safety team visited CAFFCI. They held in-depth talks on non-animal alternative tests, global allergen labeling, new chemical registration and talent cultivation.

7. On July 23, 2026, CAFFCI organized leading domestic beauty brands to carry out education charity programs in Qinghai.

8. Throughout July 2026, CAFFCI launched the selection campaign for Top 10 Cosmetic Tech Advances 2027 to drive tech-oriented industrial transformation.
