TV STUDIO

ON AIR!! Salles Propres & ASPEC give you the floor

Make the most of your participation in the show to increase your visibility and strengthen your brand image. Present an innovation, share news, promote an offer, showcase your expertise or your vision of the market... These are just some of the topics you can discuss in an interview with our journalists on our TV studio located at the heart of the show. An audiovisual format designed to reach the Salles Propres audience and extend the impact of your presence at ContaminExpo across the web and social media for one year after the event. In partnership with and coordinated by Pyc Média.

Price: €2,990
